Subject: Requirements to include elements of a consent decree into a Title V permit

Bijl:

Attached below is a letter that lays out how a consent decree is to be handled under the Title V permit program. I am happy to discuss this with you in more detail.

Thanks

Subject: PES TVOP initial comments

Biji: 11-18-2012 falls on a Sunday. So the deadline would appear to be Monday 11-19-2012.

I am going through the CD to see if the conditions are in the draft TVOP. I didn't see condition 5 on page 5 of the CD incorporated into the permit. Is there a reason its not?

I will be sending more comments later on.

Thanks
